FOR PERFECT MOULDINGS,
YOU MUST START WITH
PERFECT GRINDING TEMPLATES

PROFILE TEMPLATE SOLUTIONS

- ▶ **TEMPLATE COSTS DRAINING** AWAY YOUR BOTTOM LINE?
- ▶ **FALLING BEHIND WAITING** FOR OUTSOURCED TEMPLATES?
- ▶ **CRAVING MORE CONTROL** OF YOUR COMPANY'S FUTURE?

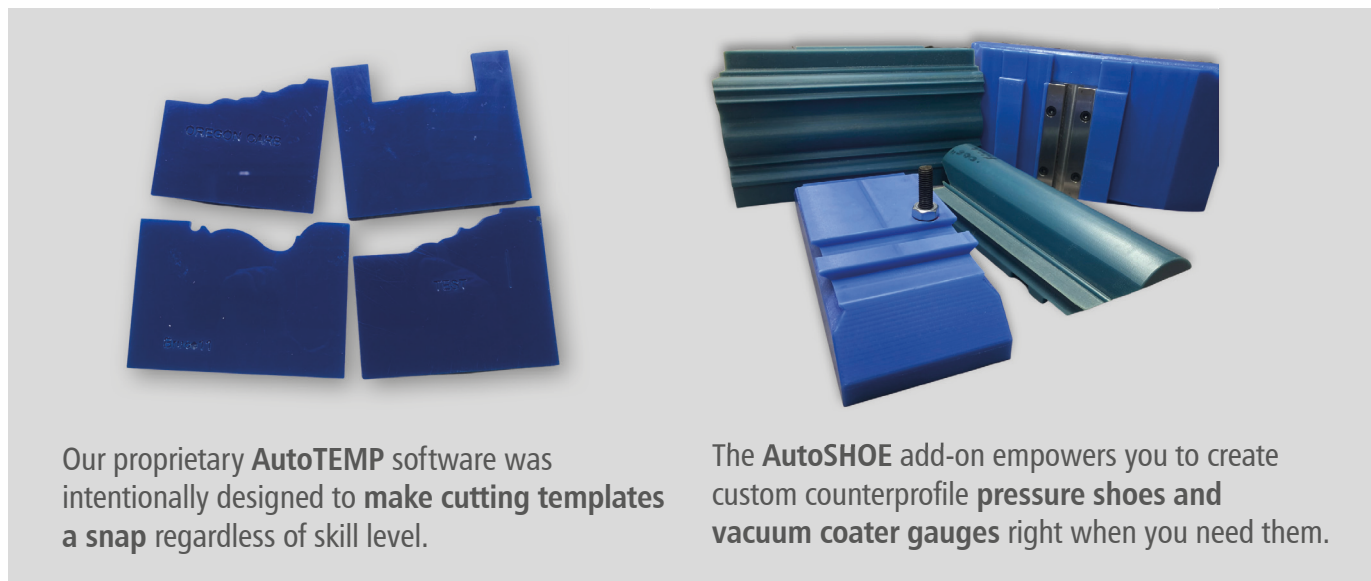

▶ **YOU ARE NOT ALONE!**

We work directly with people like you to provide CNC solutions tailored to your specific needs as a custom moulding manufacturer.

Effortlessly cut any template imaginable with industry-leading precision - from design to template in hand in less than 15 minutes.

For decades, we have focused specifically on **streamlining** the template-making process for woodworkers around the globe.

Our proprietary **AutoTEMP** software was intentionally designed to **make cutting templates a snap** regardless of skill level.

The **AutoSHOE** add-on empowers you to create custom counterprofile **pressure shoes and vacuum coater gauges** right when you need them.

DO ANY OF THESE SOUND LIKE YOU?

- SPENDING TOO MUCH MONEY OUTSOURCING TEMPLATES?
- SINKING ALL YOUR TIME & ENERGY INTO GRINDING TEMPLATES?
- LOSING CLIENTS OVER LONG DELIVERY TIMES?

CHECKED YES TO ANY OF THESE?

CALL US FOR A NO-PRESSURE CONSULTATION TO SEE IF AUTOTEMP IS THE RIGHT FIT FOR YOU.

„THE AUTOTEMP SYSTEM HAS ALLOWED US TO GROW INTO A WHOLE NEW LEVEL OF BUSINESS.“
